#### 12 PM – 1 PM | VICE PRESIDENT FOR RESEARCH

##### KEYNOTE SPEAKER – Greg Buchert, MD, MPH

[The Civic Theater, Stage](#)

Greg Buchert has more than 30 years of healthcare experience, including managed care health plans, medical group management, hospital administration, and information technology vendor services. He is President and CEO of GSB Health Management Solutions, a boutique consulting service designed to improve healthcare delivery to particularly vulnerable individuals. Dr. Buchert received his Doctor of Medicine degree from Tulane University School of Medicine and his Master of Public Health in Health Care Administration from Tulane University School of Celia Scott Weatherhead School of Public Health and Tropical Medicine. He earned a bachelor's degree in community health and delivery of health services and psychology from Tufts University. He joined the Celia Scott Weatherhead School of Public Health and Tropical Medicine Dean's Advisory Council in June 2020.
